

# The Train was 5 Minute Behind Time

In our good old schoolboy days we used to read about the train being five minutes behind time and all was lost. We find the same conditions in business. It is best to make your price right before your customer has purchased. Some of our competitors take the opposite side of the question and have their prices as high as a cat's back before the sale has been made but bent like a camel after. It is not very hard to make an extra low price on goods you cannot get, but the firm that does carry the line of goods wanted at the lowest market price are the people that makes Jasper a good town to trade in. We are willing to confess that

**The Mandt Wagons, The Henne Buggies, The Goodeough Plows, The Superior Bridge & Beach Stoves, The American Hog Fence and the Osborne Binders (not in the trust) are recognized as the best goods of their Kind and are what the people want.**

But there are other lines that could be got in Jasper that would give satisfaction, and never would you find one of our firm running out after you to see if you had bought a wash-pan, dish-pan or any old pan of some one else. We consider that your privilege and our heads are not built that way. We say for every one to buy where they please; buy it as cheap as they can; buy it of someone who has goods in stock to show you what you are getting—and we believe as in the past, you will be buying it at our place. But if you don't we won't get mad at you. You will find us as of old making prices on time and not waiting till you have bought.

Your Humble Servants,

**WEBB BROTHERS, Jasper, Mo**

### A Thanksgiving Psalm.

(Psalm 100)

Make a joyful noise unto the Lord, all ye lands.

2 Serve the Lord with gladness: come before his presence with singing.

3 Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture.

4 Enter into his gates with thanks giving, and into his courts with praise: be thankful unto him, and bless his name.

5 For the Lord is good: his mercy is everlasting; and his truth endureth to all generations.

A thankful heart is generally a happy heart.

Count your blessings today and thank God for them.

Jasper has no paid fire department but she has a bucket brigade that is almost as effective.

A certain man was bewailing his lot because he had no shoes, when he met a man without any feet. There are none whose condition might not easily be worse.

Whatever the outcome of the present bottle investigations, it is pretty certain that there will be considerably of a decline in that kind of business during the next session of the legislature.

Carrie Nation is undoubtedly cutting some queer capers, but when the history of the overthrow of the rum demon is completed, her name will probably be surrounded with as much lustre as any.

High license may have the tendency to keep down the number

of saloons in some places, but it doesn't act that way in Carthage. Within two weeks after the city council had raised the license from \$1,000 to \$1,500 applications for two new saloons were made.

### Butlerism in Politics.

From the Kansas City Star.

The Butler variety of Democracy, of which Mr. Folk spoke at Sedalia, has its counterpart in many states, although in some of them it goes under another party name; in Delaware, for instance, it is called Addicks Republicanism; in New York City it is called Tammany Democracy; in Philadelphia it takes its descriptive name from Quay or Durham; in Rhode Island from Aldrich; in Montana from Clark.

The keenest observer would be puzzled to distinguish any fundamental difference between the Republicanism that dominates Philadelphia and the Democracy of Ed Butler. The principles in the two instances are identical. In one case the machine may work a trifle more efficiently than in the other. There is no further distinction between them. The question of the tariff or the trusts or of silver does not enter into their philosophy. They regard politics as first of all a business proposition. It is only by accident that the Butler organization happens to be Democratic and the Philadelphia machine Republican.

It serves the purpose of Mr. Addicks best to be a Republican. Mr. Murphy of Tammany hall finds he can accomplish most as a Democrat. In Rhode Island Senator Aldrich can obtain results most effectively through the Republican machine. In Montana the Democratic party afforded Senator Clark his desired opportunity.

These men have a common platform, whether they call themselves Republicans or Democrats. It is manifestly absurd to allow them to appropriate party names. Some day, it may be hoped, the voters will see through the trick.

### The Best Remedy For Croup.

(From the Atchison, Kan., Daily Globe.)

This is the season when the worn and knows the best remedies for croup in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost, in burglars. There used to be an old-fashioned remedy for croup, known as hive-syrup and told, but some modern mother say that chamberlain's cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and give relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by Webb Bros.

#### Millionaire's Poor Stomach.

The worn out stomach of the over-fed millionaire is often paraded in the public prints as a terrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaires unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over 35 years. August Flower cures the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. At all Druggists.
